

# **Letters to the Manager- Demanding changes in Council's policy on implementation of Travellers Accomodation Act - 23/03/00**

---

Dear Manager,

I have not received a response to my letter of March 13 concerning the Travellers Accomodation Programme.

I feel it necessary to inform you now that I will not be supporting the programme unless I receive a written commitment from you personally that;

1. A significant budget will be allocated to the maintenance of the proposed sites.
2. That the potential complaints of settled people in nearby houses about anti social behaviour will be properly acted on.

I hope I will receive a positive reply from you before the Council meeting of Monday,27 March.

Yours Sincerely,  
Eoin Costello
